my first smart phone...

i need a  
good model  
with good  
quality

I need a  
extra  
accessories?

i expect that  
RAM should  
higher like  
6GB

That  
impress all  
my friends

i think Iphone  
have a more  
features in  
this model

Its a good time  
to buy this  
mobile?or wait  
new models  
arrival?

USER

Feeling happy  
and have  
excitement for  
my mobile

Nervous

Price are  
reasonable?

I have to know  
my friends and  
family membe  
rs opnion?

Long time  
desire

Have a lots  
of  
question?in  
my own ???

Does
